Vallejo Open Studios

Saturday & Sunday, November 5 & 6, 2016

11am to 5pm both days

Vallejo Open Studios is a free, self-guided tour. Many of our artists open up their studios to the public, while others will share space. Be sure to visit as many locations as possible. Each site is unique and will offer something new to your experience.

Presented by Vallejo Open Studios (VOS) • vallejoopenstudios.com
VOS is sponsored by Solano County Arts Council • solanocountyartscouncil.com

Navigating Your Way Artists are listed alphabetically throughout these pages with a number identifying their studio location. This studio number corresponds to the maps on the last two pages of the directory. On the inside back cover, we have provided a numeric listing by studio so you can see which artists are showing together.

On The Cover Excerpt of a Room by Geraldine Ensminger
916 years ago stained glass was seen as a mediator between the earthly and divine realms. Since The Divine One is also Light, the combination of colored glass and sunlight — the mechanism that makes stained glass work — is perfect for transforming a man made building into a sacred space of meditation. This is how I approach my work. I strive to change the atmosphere. In this small foyer I sought to integrate the individual elements and transform the space into whimsy and colorful delight — a perfect portrayal of my client.
