Vallejo Open Studios November 12 & 13, 2022 11am to 5pm

Vallejo Open Studios is a free, self-guided tour. Many of our artists open up their studios to the public, while others will share space. Be sure to visit as many locations as possible. Each site is unique and will offer something new to your experience.

Navigating Your Way

Artists are listed alphabetically throughout these pages with a number identifying their studio location. This studio number corresponds to the maps on pages 10, 11 and 12. On the back cover we have provided a numeric list by studio so you can see which artists are showing together.
